Mr. Speaker having left the Chair and the House resolving itself into a Committee to consider of the Supply to be granted to Her Majesty;

And the House continuing in Committee.

1:30 O'CLOCK P.M.

Hon. Mr. LATHLIN, the Minister of Conservation, made a statement regarding an update on flooding as a result of heavy rains experienced over the last few weeks,

Mr. ENNS and, by leave, Hon. Mr. GERRARD commented on the statement.

Hon. Ms. BARRETT presented:

Manitoba Public Insurance Corporation, Quarterly Report, Three Months, March 1, 2000 to May 31, 2000.

(Sessional Paper No. 194)

By leave, following Oral Questions, Mr. PENNER (Emerson) rose on a matter of urgent public importance and moved:

THAT the ordinary business of the House be set aside to discuss a matter of urgent public importance, namely "the need for a debate of the multitude problems arising from two years of flooding and excess moisture conditions in a wide ranging area of the province, including the City of Winnipeg, and the need for a comprehensive plan of action from this government to tackle the implications of the flooding and excess moisture conditions, including the impact on the agricultural community, businesses and individual home owners."

And Mr. PENNER (Emerson) and Hon. Mr. ASHTON having spoken to the urgency of the motion,

WHEREUPON Mr. Speaker ruled as follows:

I thank the Honourable Members for their remarks on the urgency of the motion brought forward.

In lieu of the requirement for filing notice of the motion, the House has granted unanimous consent.

The second condition that must be satisfied in order for the debate to proceed is that debate on the matter is urgent and that there are no other reasonable opportunities to debate the matter.

I would note that questions on this subject matter could be raised during consideration of the concurrence motion at the conclusion of departmental estimates. In addition, members could raise a grievance, or bring forward an opposition day motion.

Thursday, July 13, 2000

However, in spite of these procedural shortcomings, I note that there is a willingness to debate the matter today. Beauchesne citation 387 as well as past rulings of Manitoba Speakers take this into account.

Mr. Speaker then put the Question, "Shall the debate proceed?" It was agreed to.

And a debate arising,

And Mr. PENNER (Emerson), Hon. Ms. WOWCHUK, Messrs. DERKACH, SMITH (Brandon West) and ENNS, Hon. Mr. ASHTON, Messrs. MAGUIRE, NEVAKSHONOFF, SCHULER, STRUTHERS, PENNER (Steinbach) and REID having spoken,

The debate was terminated in accordance with Rule 34(6).

Pursuant to Rule 23(1), Messrs. SCHELLENBERG and PENNER (Emerson), Ms. ASPER, Mr. MAGUIRE and Ms. ALLAN made Members' Statements.

On motion of Mr. DEWAR:
