Mr. WISHART moved:

Resolution No. 25: The Need for Safe, Healthy and Sustainable Housing

WHEREAS the Provincial Government's Department of Housing and Community Development states that its vision is for "strong, healthy and sustainable communities where individuals and families thrive"; and

WHEREAS the Provincial Government has failed to provide safe, healthy and sustainable housing in its public housing units; and

WHEREAS there are too many instances of the current Provincial Government cutting corners and increasing taxes that hurt those with the greatest need for support; and

WHEREAS Manitoba Housing complexes have been ignored by the current Provincial Government and residents have been exposed to bedbugs and mould; and

WHEREAS violence has become far too prevalent in Manitoba Housing complexes under this Provincial Government; and

WHEREAS the current Provincial Government has made many promises related to housing, but has failed to deliver real results; and

WHEREAS there is repeated concern over the complexity of support programs available to help those in need.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to deliver safe and affordable housing for all Manitobans instead of making promises it does not keep; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to collaborate with stakeholders to integrate the complex supports currently available to a system that can be navigated by those that need these supports.
