**RESOLUTION:**

**Mr. DEWAR – Lord Selkirk Settlers**

6. WHEREAS this year marks the 200<sup>th</sup> anniversary of the Lord Selkirk Settlers' arrival at the Forks; and

WHEREAS the 5th Earl of Selkirk, Thomas Douglas, sought to help Scottish highlanders who lost their lands by establishing three colonies in British North America; and

WHEREAS for the last and most ambitious colony, an area in the heart of the fur country, The Hudson's Bay Company granted Lord Selkirk the territory of Assiniboia, much of which we now know as Manitoba; and

WHEREAS Lord Selkirk recruited disadvantaged people from Ireland, Scotland, and other countries who leapt at the opportunity to own their own land and make their way in a new country; and

WHEREAS the Settlers showed courage in the face of many challenges and proved that a settled agricultural community could support life on the Prairies; and

WHEREAS without help from Chief Peguis and other First Nation peoples, the Settlers likely would have starved.

THEREFORE BE IT RESOLVED THAT the Legislative Assembly of Manitoba recognize the role of the Lord Selkirk Settlers in the creation of the diverse province we now call home.

**NOTICE OF MOTION FOR THURSDAY:**

**PROPOSED RESOLUTION:**

**Mr. GOERTZEN – Recidivism in Manitoba**

7. WHEREAS the Provincial Government has changed the long standing method of reporting the reoffence rates of criminals released from jail as a way to hide their failure on rehabilitating criminals; and

WHEREAS for years, the Provincial Government has recorded recidivism as criminals who were charged with a new offence within two years of being released from jail; and

WHEREAS the previous method of recording resulted in reports of 90% of youth being classified as repeat offenders and 70% of adults being classified as reoffenders; and

WHEREAS a new definition for recidivism was created which only counts individuals as repeat offenders if they are convicted of a new offence, not charged, within two years of their release; and

WHEREAS as a result of the Provincial Government's change in recording methods, there was a seemingly magical drop in recidivism for both youth and adults in Manitoba of between 30% and 40%.

THEREFORE BE IT RESOLVED that the Provincial Government consider requiring the Attorney General to apologize to Manitobans who have been the victims of crime for having given up on the problem of criminals leaving jail and reoffending and trying to make the problem look less alarming by changing how recidivism is calculated.
