## NOTICE OF MOTION FOR NEXT TUESDAY OF PRIVATE MEMBERS' BUSINESS:

### PROPOSED RESOLUTION:

#### **Ms. HOWARD – Protecting Strong Public Health Care**

2. WHEREAS public, universal, high quality health care is a top priority for Manitoba families and the Provincial Government will continue to invest in protecting and improving frontline services; and

WHEREAS the Throne Speech shared many smart, strategic and forward thinking investments as it was grounded in the values and priorities of Manitobans to improve the care, health and well being of Manitoba families; and

WHEREAS the Provincial Government is investing in health care by building more health facilities, hiring and training more doctors, nurses, paramedics and other frontline professionals; enhancing the Emergency Medical Services system, including moving towards reduced ambulance fees; and investing in initiatives like QuickCare clinics that help provide more options and better access to care for Manitobans; and

WHEREAS the Provincial Government is investing in unique new programs that will provide better parenting support, youth mental health services, addiction supports, home care for seniors and CancerCare support from the moment of diagnosis, all through treatment; and

WHEREAS the Provincial Government will continue to invest in health care supports in the North, including making it easier to access healthy foods; and

WHEREAS the Leader of the Official Opposition wants to impose dangerous cuts that would threaten services on which Manitobans rely and would transform the provincial system into American style, two-tier health care where the wealthy can pay to jump to the front of the line; and

WHEREAS even after stating that two-tier healthcare is “a better way to do things,” the Leader of the Official Opposition didn’t offer any vision for home care, personal care homes, family doctors or nurse practitioners.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba commend doctors, nurses, paramedics and other crucial front line workers who provide top quality care for Manitobans and deserve support; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to invest in its vision for even stronger public, universal, high quality health care for all Manitobans; and

BE IT FURTHER RESOLVED that the Legislative Assembly of Manitoba urge the Provincial Government to continue to reject the calls of the Leader of the Official Opposition to privatize health care that would endanger the health of all Manitobans.
