RESOLUTION:

Mr. ALLUM – Restore Public Transit Funding for Municipalities

3. WHEREAS the Provincial Government has ended a decades long funding agreement with municipalities to pay for half of operating funds for public transit services; and

WHEREAS this cut to transit was buried in a massive omnibus bill which also included an across the board cancellation of growth funding formulas for municipalities; and

WHEREAS the in year transit cut has forced the City of Winnipeg to consider increasing fares by up to 25 cents, which would put an undue burden on transit users, especially low income families, seniors, students and newcomers; and

WHEREAS the City of Winnipeg has also been forced to consider service cuts to a transit system that users report as already overcrowded and infrequent because of this Province’s cut; and

WHEREAS the City of Winnipeg has warned that reduction in service could mean laying off up to 120 transit drivers, and cancelling service on nearly 60 routes; and

WHEREAS cuts to transit presents barriers for Manitobans commuting to work or school, looking for jobs or trying to access health care; and

WHEREAS many Manitobans are concerned that the Provincial Government’s cut will discourage commuters from choosing public transit over fossil-fuel burning cars; and

WHEREAS a commitment to transit would bolster Winnipeg’s economic competitiveness and help attract new and vibrant business to the market; and

WHEREAS the Premier has failed on his election promise to protect the front line services that are relied upon by Manitobans.

THEREFORE BE IT RESOLVED that the Provincial Government be urged to immediately reverse its decision to cancel the public transit funding agreement with the City of Winnipeg and commit to long term, predictable, growth oriented funding for municipalities.

ORDERS OF THE DAY (continued)

GOVERNMENT BUSINESS

WRITTEN QUESTIONS:

Hon. Mr. FLETCHER –

6. Since the provincial initiative to use the Housing and Renewal Corporation to develop a drug treatment facility at the parks and recreational site known as the Vimy Arena does not fall within the mandate of the corporation as described in The Manitoba Housing and Renewal Corporation Act, why does the Provincial Government continue to force yet another Crown Corporation to operate outside of its mandate while at the same time underfunding addiction and treatment services?
 7. Can the Provincial Government provide justification as to why it claims that a carbon tax is necessary, and include in its response detailed revenue projections, spending forecasts, and scientific evidence to demonstrate the Provincial Government's assertion that a carbon tax reduces greenhouse gases?
