RESOLUTION:

MLA LINDSEY – Calling on the Provincial Government to Resolve Issues Afflicting Northern Manitoba

12. WHEREAS northern Manitobans are subject to situations that are acceptable nowhere else in the province specifically regarding healthcare and infrastructure; and

WHEREAS the Provincial Government's cuts to healthcare in northern Manitoba have worsened these situations and put thousands at risk; and

WHEREAS in the last few years the Provincial Government has cut nurses, ordered millions in cuts to the Northern Regional Health Authority while cutting the Northern Patient Transfer Program and more than tripled its use of private health care agencies in the north rather than address chronic staff vacancies; and

WHEREAS the Provincial Government has shut down health care facilities in the north for extended periods leaving northerners to travel hundreds of kilometers over poorly maintained roads to access basic healthcare needs; and

WHEREAS the Provincial Government has displayed a lack of urgency regarding health care facilities in Thompson by cutting its Foot Care Clinic and not fixing the hot water at the Thompson Hospital, which has been on and off for months on end; and

WHEREAS the Provincial Government closed the obstetrics unit in Flin Flon forcing expectant mothers to travel hundreds of kilometres away to give birth while ignoring a staffing crisis in The Pas; and

WHEREAS the Provincial Government has shut down the operating room in Flin Flon; and

WHEREAS the province has underspent infrastructure every year since taking office including leaving \$166 million unspent on highways while freezing maintenance and repair programs all while having no plan for good jobs in the north; and

WHEREAS over 5,300 Manitobans have called for upgrades to Highway 6 to improve safety and reduce accidents for people who travel in the north; and

WHEREAS northern Manitobans rely on highway infrastructure such as Highway 6, 60, 10, 391 and 394 to travel to and from critical health care services; and

WHEREAS the province has left many positions unfilled in highway maintenance operations such as snowplow operators.

THEREFORE BE IT RESOLVED that the Legislative Assembly of Manitoba condemn the Provincial Government for cutting and failing to invest in healthcare and infrastructure in northern Manitoba these past six years.
