RESOLUTION:

MLA REDHEAD – Affordability in the North

14. WHEREAS the Provincial Government has undertaken real affordability measures for families in the North after years of freezes and cuts by the previous PC Provincial Government; and

WHEREAS the previous PC Provincial Government severely cut northern infrastructure and turned its back on northern Manitoba by cutting programs that invested in northern communities, such as by suspending the CEDF business loans; and

WHEREAS the Provincial Government has cut the gas tax, relieving families across the province, but especially in northern Manitoba where many people rely on their vehicles for their businesses and day-to-day travel; and

WHEREAS the Provincial Government is investing in northern healthcare so families can access help when and where they need it without facing inaccessibility costs; and

WHEREAS the Provincial Government is expanding critical infrastructure like roads and railways so remote northern communities can maintain year-round surface transportation access; and

WHEREAS the Provincial Government is improving job accessibility in the North by creating good jobs within the critical minerals field, ensuring economic prosperity and reconciliation; and

WHEREAS the Provincial Government is investing in building a new airport in Wasagamack for northern families.
